I would like to congratulate the Class of 2000. We have accomplished a great feat. At times it seemed as if our work here would never end, but it has. Our years at GreaterNew Bedford Regional Vocational Technical High School have included fun times, difficult times, and even sad times. Each experience has given us the strength to grow as individuals and as members of a diverse and talented community.

As we progress through life we will never forget the special moments that we have all shared. We have made many friends and accomplished many great things together. We will use the experience and the knowledge that we have gained to make important decisions, to face any hurdles and to achieve our many goals.

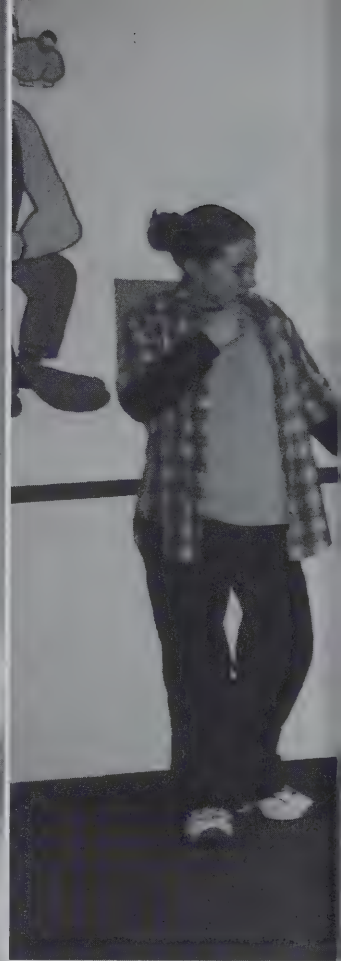

It has been an honor to represent the Class of 2000 and to share each memorable event with you. Thank you and good luck in whatever the future may hold for you.

*Never has anyone been blessed more
 Than we were by knowing her.
 She appeared as an angel, on loan to Earth
 Walking among us with a heavenly glow.
 Here to show us life's joys and life's worths
 And to teach us all that we know.
 Her soul soared strong
 When her body was not.
 Her journey to recover stretched long
 But she, with hope and courage, fought.
 Remembering her will be easy.
 We'll do it everyday.
 Missing her will be the heartache
 That never goes away.*

Galen,
I've enjoyed the times spent with you at your house and also in California at my house. You're a wonderful, fun loving nephew -- almost like the son I never had. You've blessed me with much happiness. Continue to succeed.

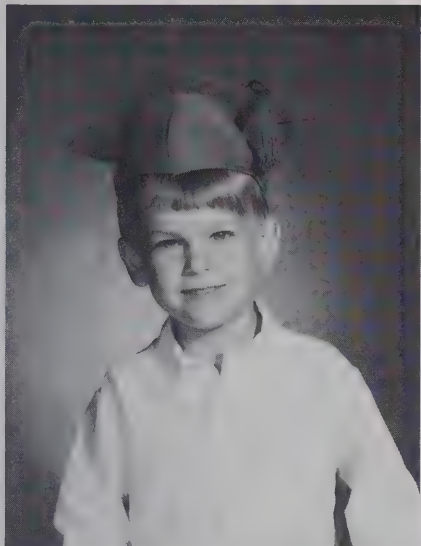

Good Luck & God Bless,
